

kite adventures

10-Day Itinerary

Day 1 - Leave Fortaleza in the afternoon and drive to Cumbuco. Check into the Hotel Golfinho. If there's time, you can hop out on the water for a late afternoon session. Relax for the evening, and get ready to kite!

Day 2 - Kiting begins right outside your door in 70-degree water. Spend the day in waves and come back to shore for a bite to eat. The night is yours in Cumbuco.

Day 3 - Leave Cumbuco around and head out for a 15 km downwinder to Cauipe, a 20 acre shallow, sandy bottom, fresh water lagoon where you can enjoy some great food, coconuts and snacks at an outdoor cabana while you are kiting.

Travel up the coast to Paracuru by 4x4. If there's time you can kite or just relax in our Kite Adventures house and get ready for day 4.

Day 4, 5 - Spend another 2 days kiting in Paracuru. The buggies are for use at your disposal. We have 2 way radios so you can connect with the rest of the group before hitting the town for a meal and some local fun.

Day 6 - Drive up the coast on the sand to Jericoacoara. Check into Hotel Naquela. Spend the night cruising around the restaurants, shops and nightlife.

Day 7, 8, 9 - Spend the days exploring the secluded beaches of Jericoacoara by dune buggy or 4x4. During the 3 days in Jeri you will have the option to do some flat water kiting in the Paradise Lagoon. We will hit the Kite Club Prea for some delicious Brazilian cuisine as you prepare for the most awesome downwinder of this region. Spend the days at your leisure, we've arranged 2 days of buggy rides with a driver to take you around the dunes and beaches.

Day 10 - Depending on the group and their return flights out of Fortaleza, there may be time to kite at Prea in the morning. Otherwise leave early (8:00am) for a 3 1/2 hour drive back to Fortaleza.
